FOR IMMEDIATE RELEASE

ADA Compliance Curb Ramps and Sidewalk Improvements on State Route 13 / Ashby Avenue in Berkeley

January 2017 through March 2017

Alameda County, Calif. – Caltrans is conducting work to upgrade curb ramps and sidewalks for Americans with Disabilities Act (ADA) compliance improvements along State Route 13 (SR-13) / Ashby Avenue in Berkeley, Alameda County. The work takes place at 15 locations between Shattuck Avenue and 7th Street along SR-13 / Ashby Avenue. **During the week of February 13-17, construction is anticipated at: SR-13 between California Street and King Street; SR-13 east of San Pablo Avenue; SR-13 west of Stanton Street; and SR-13 between San Pablo Avenue and Mabel Street.**

Sidewalk and ADA ramp work will necessitate temporary equipment staging in the parking lane along the SR-13 / Ashby Avenue corridor, making the parking lane in the area of construction unavailable for general use on a short-term basis. Signage will provide 72-hour notice prior to any parking restrictions. Work will be conducted in phases at individual locations. Weather permitting, work will be conducted according to the schedule below:

- **SR-13 southbound will be reduced to one lane between 7th Street and 9th Street February 13-15 from 7:00 AM until 3:30 PM.**
- Work impacting the eastbound parking lane will take place from 7:00 AM until 3:00 PM weekdays (Monday through Friday).
- Work impacting the westbound parking lane will take place from 9:00 AM until 5:00 PM weekdays (Monday through Friday). Occasional Saturday work will take place from 8:00 AM until 5:00 PM.

More information is available at: <http://www.dot.ca.gov/d4/13ashbyaveada/>.

Motorists should drive with caution through the work zone. Get real-time traffic on Caltrans Quickmaps: <http://quickmap.dot.ca.gov/> Or follow Caltrans on Twitter: <http://twitter.com/CaltransD4>. Caltrans appreciates your patience as we work to maintain California's highways. Please #BeWorkZoneAlert.
